

THE FRIENDS OF
COTGRAVE COUNTRY PARK

Butterflies and Moths

Use this sheet to see how many butterflies and moths you can spot in the

park - best used in summer during calm, sunny conditions around the middle of day - this is when they're most active.

Peacock
(*Aglais io*)

Red Admiral
(*Vanessa Atalanta*)

Gatekeeper
(*Pyronia tithonus*)

Six-Spot Burnet Moth
(*Zygaena filipendulae*)

Green Hairstreak
(*Callophrys rubi*)

Green-veined White
(*Pieris napi*)

Dingy Skipper
(*Erynnis tages*)

Small Copper
(*Lycaena phlaeas*)
